A number of I.N.A. men now in Calcutta have been wanting to proceed to Noakhali. In view of the rather difficult situation here, I advised some of them to adopt a particular course of action. They then addressed a letter to the Chief Minister of Bengal Government, offering their services.

I am forwarding a copy of their letter for your information.

Jai hind,

sd/- A. NATH..... Secy.

Encl:.

To,

The Hon'ble Chief Minister,
Government of Bengal,
Writer's Buildings, Calcutta.

Sir,

We the following members of the Azad Hind Fauj now in Calcutta desire to place our services at the disposal of your Government with the hope that you will accept the same and use us for the maintenance of peace and security in any one of the villages in the district of Noakhali. We are one with you in the belief that the happenings of Noakhali and in other parts of Bengal are a disgrace to our country and countrymen. We have no desire in this hour of Bengal's greatest misfortune to apportion blame or to indict any one party or group of people.

We desire, to state our attitude briefly and in the clearest terms. We pledged our allegiance to a legally constituted Govt. of Free India, and today we consider ourselves servants of the entire Indian people. We do not belong to any political party in India as

2. as was stated clearly by Major General Zaman Kiani on behalf of the I.N.A. Officers who recently met at New Delhi. All the social and religious groups in India are represented in the Azad Hind Fauj.

We are sure that you will agree with us that in certain parts of Bengal there has been a complete collapse of the government machinery. You yourself have stated that the police forces have proved inadequate to control the situation. We, therefore, desire to offer our assistance to your police forces who are unable to cope with the situation without some assistance. We shall be grateful if you will send us to any one village in Hoakhalli, where we shall strive our best to protect all, irrespective of their religious, party, or political affiliations against any unprovoked attack coming from any quarter. We are confident that you will not have the slightest hesitation to accept the non communal and non party character of the Azad Hind Fauj. If you will be good enough to accept our services and send us to organise protection in one village in the district of Hoakhalli, we are sure that many more members of the Azad Hind Fauj from all parts of India will willingly come forward and place their services at the disposal of your Government. We are ready to leave Calcutta as soon as you ask us to do so.

Yours in National Service,

COPY OF EXTRACT FROM LEFT WING CONGRESS AND THE
PRESENT COMMUNAL SITUATION

I.N.A.

Ram Kamal Das has again shifted his office from its latest location to his old place at 5, Harrison Road, as the communal situation has become quiet in Calcutta. Meanwhile, he is confronted with a difficult situation. It is said that Debnath Das, said to be formerly connected with the Azad Hind Government, has issued a circular to all I.N.A. volunteer organisations and such Congress volunteer organisations with which Azad Hind members are connected to the effect that the present role of the Congress precludes any help being received by the INA from it for organisational work. It would, therefore, be advisable to try and organise the INA independently of the Congress. For this purpose, INA members now in India were to sign a pledge afresh that they would not betray Netaji's directive, vis-a-vis Azad Hind ideology, especially with regard to the question of communal amity. The present communal situation has, according to Debnath Das, hurt to the extreme the top-ranking INA members. Shah Nawaz, it is claimed, has taken the oath afresh not to betray the INA and to try his best to rebuild it and maintain it as a separate unit.

Copy forwarded to Khan Sahib K.H. Reza, J.P., Deputy Commissioner of Police (II), Special Branch, Calcutta for information and with the request to interception the correspondence of this individual.

Haripada Bhaumik arrived from Singapore on 12.8.46 by the S.S. "Jalma". In 1934 while in India he was reported to be a member of the Deobhog Branch of the Sri Sangha Party in Dacca. In 1937 he left for Malaya and during the Japanese occupation he became a member of the I.I.L. and subsequently of the Indian Swaraj Institute at green lane, Penang where he underwent what is commonly known as the "Long Course" (training in propaganda, the Japanese language, espionage, sabotage etc.). Under instructions from Subhas Bose, he proceeded to the Manipur front in 1943 in an infiltration mission but was severely injured during a bombing attack and had to return to Rangoon for treatment.

He is impenitent and is believed to be a "hard-core Jir".

Kindly let me know if the individual is likely to return to Dacca in the near future.

The Madras Cabinet have decided to

My dear Rizvi,
Your kind letter to hand. I am happy to note that you are doing well & that your spirit is + + +.

Personally I am not in favour of a depressed mood, which is most dangerous & should be avoided. We are all tried men & we should prove useful in my capacity; & as such, we should be ready for any emergency. Further we should also be able to adjust ourselves to changing circumstances, even as our leaders. The spirit of compromise is the secret of success.

Much has been achieved since July '43: & we have contributed in no small measure for present & coming events in India. There we are not satisfied about the shortcomings of the present regime; but Rome was not built in a day. ~~India~~ Individuals can never hold up the progress of a whole country, which is speaking & acting for itself.

Two hundred rifles were received from the authorities of the U.P. for temporary use by I.N.A. volunteers at Congressnagar for the protection of the leaders and the camps. Sentries were posted and patrols were sent out into the camp, following the receipt of some information by SHAH NAWAZ KHAN through the Police Camp, Azad Hind Fauz that bombs had been indented by Muslim Leaguers to destroy the top Congress leaders and their camps. SHAH NAWAZ KHAN, RAM KAMAL DAS and others maintained strict vigilance against any possible outrage.

PROMODE SEN, the repatriated I.N.A. prisoner from Germany, and his German wife (incompletely identified) attended the Meerut session of the Congress. RAM KAMAL DAS (ESP-FB) who was introduced to them by TARAK DAS BANARJI (ESP-FB), introduced them to SHAH NAWAZ KHAN, in the latter's camp.

PROMODE SEN said that he would remain in Calcutta and Bengal where he would join the Azad Hind Volunteer Corps and would whole-heartedly co-operate with RAM KAMAL DAS in the organizational work of the Corps.

SHAH NAWAZ KHAN informed RAM KAMAL DAS at Meerut that he would make all arrangements to send RAM SINGH (incompletely identified) the Chief Bandmaster of the I.N.A. to Calcutta to train up a band party under the Bengal Command of the Corps. It is proposed to organize stage shows with RAM SINGH with a view to raise funds for the Corps.

According to RAM KAMAL DAS (ESP-
TB) about 800 I.N.A. men and officers rallied
under SHAH NAWAZ KHAN at the Meerut session
of the Congress and managed, controlled and
protected Congressnagar in co-operation with
the civilian congress volunteers of the
Corps. A camp called "Police Camp, Azad Hind
Buz" was set up there and was placed in
charge of JAMAL KHAN (Ex.I.N.A.) who was in
charge of secret service of the I.N.A. during
the period of its operations. The Police Camp
arranged for espionage to collect informa-
tion about the activities of hostile parties
and to prevent any mischief being committed.

RAM KAMAL DAS is credited with the information that SHAH NAWAZ KHAN is not willing to change the name "Azad Hind Volunteer Corps" to "Hindusthani Seva Dal" recommended by certain Congressmen at the Delhi meeting of the Provincial representatives of the Corps. He has already communicated his views and recommendations regarding the Volunteer organisation to the Congress Working Committee. He counts on the support of PANDIT JAWHARLAL NEHRU in this matter, but expects to face opposition from ACHARYA J.B. KRIPALANI, Congress President and SARDAR VALLABHAI PATEL both of whom are not pleased with him on account of his giving too much prominence to SUBHAS CHANDRA BASU and the Indian National Army. The close talks with SHAH NEWAZ was even prepared to leave the Congress Volunteer organisation, if his recommendations were rejected, and to proceed independently with the work of organisation of the Corps, five branches of which he had been able to establish already in Bengal, Allahabad, Dehra Dun, Lucknow (U.P.) and Jubbulpore (CP). SHAH NAWAZ KHAN is not giving much importance to HARDIKAR of Bombay in the activities of the Central Command of the Corps.

MAJOR ABID HASSAN of the Indian National Army, who comes from Mysore State is living at 1, Woodburn Park, the residence of SARAT CHANDRA BASU. He is assisting SARAT in his efforts to set up a volunteer organization under his own control and guidance. D.M.KHAN of the Azad Hind Government is credited with the statement that SARAT has already approached KIANI MOHD.ZAMAN a Maj.Genl.of the I.N.A. son of Mohd.Khan for his active help and support in the event of his proposed volunteer organization materialising.

SC.

Eastern Hotel, Calcutta, COL. MAHBOOB AHMED son of the late Dr. Wali Mohd? of the INA. also arrived from Bihar for the same purpose, but left the same day he came. Certain organizers of the All India Azad Hind Volunteer Corps including RAM KAMAL DAS (ESP., FB) met D.M.KHAN at the Hotel and acquainted him with the work of the Volunteer Corps under the guidance of SHAH NAWAZ KHAN. RAM KAMAL is credited with the statement that D.M.KHAN condemned the disruptive activities of the Bengal leaders both in the I.N.A. and in the Forward Bloc and expressed his determination to resist all attempts to create a division in the I.N.A. and its allied organizations. KHAN also adversely criticized ANIL CHANDRA CHATARJI for improper discrimination observed in issuing invitations to attend I.N.A.C. functions and expressed his bewilderment at the exclusions of SHAH NAWAZ KHAN from the list of invitees. When questioned by KHAN about the reason therefore, RAM KAMAL said that Chatarji had fumbled and then evaded the issue by saying that SHAH NAWAZ KHAN would be invited, along other top I.N.A. leaders, to attend the I.N.A.C. celebrations on a much grander scale to be organized in the near future. According to RAM KAMAL, CHATARJI is jealous of SHAH NAWAZ KHAN because of his country-wide popularity, which he considers an impediment to his own popularity and leadership. CHATARJI also looks down on him as a Rightist.

LT. COL. SELIM, Mrs. SELIM and D.M.KHAN, are reported to have paid visits to the house of ARABINDA BASU at 9/1, Hungerford Street to meet BELA MITRA and other members of ARABINDA'S family. ARABINDA is said to be still away, in Noakhali, in connection with relief work.

All arrangements have been made to meet the Selims and D.M.KHAN at an afternoon party to be held at 16.00 hours at 5, Harrison Road on 10-12-46 on behalf of the All-India Azad Hind Volunteer Corps. 30 Volunteers, mostly of the Bhowanipore Unit led by BIJAY KUMAR BASU, SHISHIR KUMAR HALDAR and SUNIL MUKH. RJI have been asked to attend the function and to present a Guard of Honour to them in the office. SWARUPA DAS and BELA MITRA have been invited to be present. SHANKAR MITRA will bear all the expenditure on the function.

ANIL CHANDRA CHATARJI (INA) recalled the humanitarian services rendered by the Corps to people of different communities and announced that the Muslim League Red Cross organisation had also joined the Corps and that the Cross representing the Corps would be of deep green colour.

On the morning of 8.12.46 a guard of honour was presented to ANIL CHANDRA CHATARJI and squad drill was held by the volunteers, dressed in khaki military uniform. CHATARJI then hoisted the new flag of the I.N.A.C. and took the salute at a march-past of volunteers.

The same evening a lantern lecture was held, when DR. SOUREN SEN GUPTA (incompletely identified) showed some slides on "Health and Food".

There was nothing of note in the programme for 9.12.46.

Just now I heard from Narayana Menon
that you are in Calcutta, and I hasten to give you
my Jai Hind. I hope this will find you in the best
of health. I am sorry I was not able to meet
you and other friends when you were in Bangkok.
I was sent down here for medical treatment by the
middle of December 1945. And when I arrived here
you all have been taken away. In Rangoon I met
Raturi (?), Gupta, Mohan Singh & others.

I assure you I miss your company
and particularly those years of yours. When will
we be able to meet again? Meanwhile I sent you
my best wishes. I hear that Basi too is there.
Please give him my Jai Hind. Tell him I did
not receive the "Hindu" so far.

Please make enquiries about Mr. J.N.
Bahudhri (Azad Hind Bank Manager) and let me
know all about him. I am very anxious about him.
I was living with him in Rangoon after "retreat".
He was very kind to me so far I did not get any
reply for my 2 letters. Please give my Jai Hind to

coalition ministry in Bengal.

(b) The Muslim League has completely consolidated its hold over the majority Muslims of Bengal.

(c) The after effect of the disturbances is that Hindus and Muslims of Bengal are becoming communal minded day by day.

(d) Almost all the progressive nationalist minded political workers belong to the Hindu community.

(e) The strength of nationalist Muslim political workers in Bengal is very negligible.

(f) Unfortunately the number of I.N.A. officers and men belonging to the Muslim community of Bengal is almost nil.

How can Bengal be saved from this internecine Civil War ?

In my mind, that is impossible unless a strong nationalist force is organised in the Muslim community of Bengal immediately who will stand for Freedom, Socialism & Peace.

So long as I have seen, this, also seems to me to be impossible unless the I.N.A. Muslim officers and men the Muslim political workers of Forward-Bloc in a body jump into the furnace and sacrifice their lives in order to organise an all Bengal 'Azad Muslim Dal' with its branches in every district of Bengal. Only such an 'Azad Muslim Dal' in co-operation with the Azad Hind Fauz and Azad Hind Dal organised by the Forward Bloc maintain peace and order in every district of Bengal. The organisers of the Azad Muslim Dal' will have to face the daggers of the League followers and sacrifice their lives, but it is sure that ultimately their sacrifice will give birth to such an organisations and will create and establish a free Social Republic in Bengal.

The ideal of Natajee - which the organisers of the 'Azadi Muslim Dal' will have to preach to the Muslim inhabitants of Bengal may be put in a nut-shell in the following words :-

(1) We want a free socialist republic in Bengal and not a British dominated Pakistan or Islamraj.

(2) In our state there will be a complete separation of Religion and Politics; Religion will be regarded as a private offer.

(3) In our state there will be equal scope and opportunity for the progress & development of every community irrespective of

What are their respective and mutual gains? Firstly while the British Imperialism are fast loosing their domination over India due to the ~~the~~ National freedom movements and the I.N.A. spirit, they may yet trying to maintain and continue their Imperialist control over India which may be necessiated by the Civil War; secondly as was the case in Ireland, the British Imperialism though may be forced to transfer substantial power to the Congress dominated provinces grouped under section 'A' in the Cabinet Mission proposal, may yet retain substantial power in Muslim majority provinces grouped under sections 'B' and 'C' by entering into a secret pact with Muslim League to create two 'Muslim Ulsters' or British dominated Pakistan in those two blocs.

The present riots are also helping Muslim League to consolidate their hold on the Muslim community and thereby coerce the Nationalist Muslim to join Muslim League.

Now, if we review the results, we shall come to the following conclusions.

(1) The British Imperialism and Muslim League have failed as yet to attain their object in the frontier province - which though a Muslim Majority province is dominated by Congress and Red Shirts of Khan Abdul Gaffar Khan. So there is no disturbance there.

(2) They have failed also in the Province of the Punjab because of the following facts :-

(a) There is non-communal coalition ministry (b) The Majority of Hindus, Muslims and Sikhs are true followers of Congress and Netajee. (c) There is the largest number of I.N.A. officers and men in the Punjab who stand with the glorious record of united struggle of Hindus, Muslims & Sikhs under the leadership of Netajee; so there is no disturbance in the Punjab.

(3) The provinces of Sind & Assam are now in the melting pot. Anytime riots may break out there.

(4) The provinces of Bengal - and Bihar are the worst victims. In Bengal and Bihar, if not in any other place of India Hindus & Muslims have really become two warring nations.

Speaking particularly of Bengal -- and as a Bengalee I feel, I must do, I note with concern the following facts :-

(a) There is no possibility of forming a non-communal coalition

To Col. Ehsan Quadir

Dear Friend,

The internecine communal war in India started by the reactionary parties at the instigation of British Imperialism makes my humbleself bold enough to approach you, who is held in high esteem by Hindus & Muslims alike of India -- with a concrete proposal for sacrifice & organisation of the Muslim followers of the ideal of Netajee to stop this mad fury after communalism.

To-day I - as one, who is a humble Bengalee Muslim follower of the ideal of Netajee approach you, who was fortunate to be one of the trusted lieutenants of Netajee.

Before coming to explain my humble proposal for a definite programme of work, I would dare attempt in a nut-shell to review and analyse the present situation with a special reference to Bengal in the light of which the programme may be suggested.

The first questions are :- Why the communal war? Who are behind it? What are their gains?

Undoubtedly this communal war is the outcome of British Imperialist Policy of 'divide and rule' in India; their object to divide Indians into two warring nations - Hindus and Muslims just as they did in Ireland and Palestine, has been almost fully attained by the aftereffect of the recent communal disturbances at Calcutta, Noakhali, Tipperah and Bihar. Muslim League has willingly and actually helped in creating this division in India.

Sir,

We the following members of the Azad Hind Fauj now in Calcutta desire to place our services at the disposal of your Government with the hope that you will accept the same and use us for the maintenance of peace and security in any one village in the district of Noakhali. We are one with you in the belief that the happenings in Noakhali and in other parts of Bengal are a disgrace to our country and countrymen. We have no desire in this hour of Bengal's greatest misfortune to apportion blame or to indict any one party or group of people. We desire, however, to state our attitude briefly and in the clearest terms. We pledged our allegiance to a legally constituted Government of Free India, and today we consider ourselves servants of the entire Indian people. We do not belong to any political party in India as was stated clearly by Major General Zaker Kiani on behalf of the I.N.A. officers who recently met at New Delhi. All the social and religious groups in India are represented in the Azad Hind Fauj.

We are sure that you will agree with us that in certain parts of Bengal there has been a complete collapse of the Governmental machinery. You yourself have stated that the police forces have proved inadequate to control the situation. We, therefore, desire to offer our assistance to your police forces who are unable to cope with the situation without some assistance. We shall be grateful if you will send us to any one village in Noakhali, where we shall strive our best to protect all, irrespective of their religious, party or political affiliations against any unprovoked attack coming from any quarter. We are confident that you will not have the slightest hesitation to accept the non communal and non party character of the Azad Hind Fauj. If you will be good enough to accept our services and send us to organise protection in one village in the district of Noakhali, we are sure that many more members of the Azad Hind Fauj from all parts of India willingly come forward and place their services at the disposal of your Government. We are ready to leave Calcutta as soon as you ask us to do so.

Dear Gupta,

Extremely sorry for the delay till now.
As soon as I came to Madras I met all the
ministers, but their answer was not good for
me. Out of the ministers two of them asked
me to work as a clerk, but I refused to
work as a clerk. Some of the ministers have
promised me that they will give a ~~letter~~ better
job after some time. So I am waiting for
their reply. As soon as they offer me some
better job I will be proceeding to Madras.

How is Calcutta? What are our boys
doing? Please write all the particulars about our
boys. Where are you going to New Delhi. How is
Ramakumar? Has he come back from Delhi. Please
excuse me for the delay, because I was busy all
through till now. Best Compliments to Shakuntla,
R. Meyaphan, Ratnam, Chatterjee Bros. and
others. Awaiting your kind reply as soon as
possible.

yours sincere friend -

Now I am at home.

My dear Sen,

This is just a line to remind you about writing to me before you come to Calcutta on your way to attend the Congress at Meerut. If I can be of any help to you, I shall be only too pleased. You may stay for a day or two with our mutual friend Subho Tagore (3). I don't think Mrs. Sen will be very uncomfortable.

I hope you are having a pleasant reunion after 20 years. We are all looking forward to meet you though I must confess that we had expected you to return under different circumstances. Ever since we have come to know that you have joined Netaji in Berlin our admiration for your practical political sense has gone up higher but more about these when we meet.

With my best wishes to both of you,

Yours affectionately,

Her father Malay Gupta is now staying at Rangoon at house No. 204, 39 Street, Rangoon, where he is trying to set up a business in photo goods.

In course of casual talk Sailen Gupta of Baidyabati one of her relations stated that Malay Kumar Gupta has no land or homestead at Mymensingh but has some of his relations there, whose address or other particulars are not known to Sailen Gupta or anybody at Baidyabati. Malay Gupta had been in Burma with his family for about 14/15 years last and sent his family to Baidyabati only at the fog end of 1946.
